

515.115(b)(1) Terminations Requested by Participants

The NRCS Designated Conservationist may terminate a contract, in consultation with the Conservation District, without concurrence of the State Conservationist, **PROVIDED** that all liquidated damages are assessed as appropriate (to the CCC-1200 Appendix signed by the producer) and full recovery of funds previously paid are required.

If the NRCS Designated Conservationist wishes to waive all or part of the liquidated damages or recovery of funds, then endorsement by the appropriate Assistant State Conservationist for Field Operations and approval by the State Conservationist is required in writing (See Wisconsin Amendment 515.116(c)(1)). The written communication will be filed in the participant's contract folder.
